

BEDFORD Village Common

Why does the park matter?

- It provides passive recreation for all ages
- It preserves 9½ acres of open space along a well traveled road
- It encourages wildlife habitat particularly birds and wetland species
- It creates an attractive focal point for the historic center of Bedford

How does the park benefit the community?

- It provides accessible passive recreation for all ages & abilities
- It improves the aesthetics of the Route 101 corridor
- It creates opportunities for public gatherings and celebrations
- It provides a public ice skating pond
