

Future Space Explorers

ACADEMY OF FUTURE SPACE EXPLORERS

Mad Science and NASA have teamed up to bring the excitement and wonder of space down to earth in the NASA Academy of Future Space Explorers after school program. This is your chance to explore the farthest reaches of our solar system! Become a rocket scientist as you build your very own model rocket and discover the science behind space travel as you watch it blast off. Experience how it feels to work in space as you and your crew team up to build a model space station. Take home projects include Sky blazer II Rocket, Shuttle Copter, Lightning Launcher, Kepler's Cube, Cosmic Chronometer and more! This class is appropriate for children in grades 2-4.

DATES: Mondays – March 12, 19, 26, April 2, 9, 16

COST: \$85 Bedford Residents/ \$95 Non-residents

LOCATION: Riddlebrook School

TIME: 2:45-3:45 pm**

**MAD SCIENCE INSTRUCTOR will meet children in gym at 2:25 pm and walk the children to the assigned classroom. The children will be able to eat a snack before class as instructor sets up to teach.
