BEDFORD TELECOMMUNICATIONS COMMITTEE
MEETING MINUTES

A meeting of the Bedford Telecommunications Committee was held on Thursday, September 19, 2019 at the Bedford Meeting Room, 10 Meetinghouse Road, Bedford, NH. Present were: Bill Duschatko (Chairman/Town Council Rep), Chris Swinarski, and David Tuttle. Also present: Rick Sawyer, Town Manager, and Rebecca Hebert, Planning Director.

Chairman Duschatko called the meeting to order at 11:30 a.m.

Old Business

- The committee reviewed the draft survey that Councilor Duschatko had mocked up based on the questions developed by Mr. Tuttle and the group over the previous weeks. They made several additions, corrections, and modifications to the language which Councilor Duschatko will update and distribute to the committee. The committee discussed all of the various websites and Facebook pages that will be important to make sure the survey is sent to.
- Mrs. Hebert updated the committee on her work on a right of way ordinance which has been sent to legal counsel for review and will be presented to the committee at the next meeting when Mrs. Ricciardi could be present. Mrs. Hebert noted that many NH communities have decided to work together with a law firm to develop a model ordinance but Bedford has not joined the group at this time. The ordinance will address all utilities and will significantly change how the permit process is completed in Bedford.

New Business

Chairman Duschatko noted that there will be a conflict with the regular meeting time in October and the group determined to reschedule the meeting to Friday, October 18, 2019 at 11:30 a.m.

Chairman Duschatko adjourned the meeting at 11:59 p.m.

Respectfully submitted,
Rick Sawyer, Town Manager
