

2020

Household Hazardous Waste Day

**Saturday, June 27th @ Bedford Highway Garage (19 Chubbuck Road)
8:30 a.m. to 3:00 p.m.**

Spring Cleaning? Need to toss out old chemicals, oil based paint from your closets, basement and garage! The Town of Bedford, NH will be holding their Annual Household Hazardous Waste Collection Day.

This is a one day event for Bedford residents to dispose of unwanted household hazardous waste. Your vehicle must have a valid Transfer Station sticker to participate. NO EXCEPTIONS!

Common Items Accepted

*Oil Based Paint
Stains
Spray Paints
Paint Thinners
Pesticides
Lighter Fluids*

*Wood Preservatives
Moth Balls
Oven Cleaners
Pool Chemicals
Cleaning Solvents*

Items NOT ACCEPTED

*Asbestos
Explosives (ammunition)
Radio Active Materials
Road Flares*

The following items may be dropped off at the Transfer Station on a regular basis:

Latex Paints, Used Motor Oil, Anti-freeze, Household Batteries, and Car Batteries

This is only a partial list of acceptable items. If you are unsure about any items acceptability, please stop by the Transfer Station prior to June 27th, and speak to a transfer station attendant.

Upon entering the Town Garage with your household hazardous waste item(s), **Do not Remove The Waste From Your Vehicle!** An attendant will verify if it is an acceptable waste, and if so, they will remove it from your vehicle.

The Town reserves the right to reject any liquid, material or substance, which in the opinion of the Transfer Station Assistant Foreman, constitutes a serious hazard to other users of the facility, to the property of the Town or its employees.

Any questions, please email Jerome Spooner at jspooner@bedfordnh.org
